Forecast For Wales
Issued by Met Office Exeter
at 1600 on Monday 26 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy showers, locally thundery on Tuesday.

This Evening and Tonight:
Skies clouding over but remaining dry for most through the evening. Overnight, outbreaks of heavy rain move across the country. Temperatures remaining rather warm for many with light winds. Minimum temperature 12 deg C (54 deg F).

Tuesday:
Cloud persisting throughout the day with heavy showers, occasionally thundery, developing through the morning. Showers, locally heavy and thundery continuing through the afternoon. Feeling cooler than recent days. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
Remaining unsettled through this period with showers or spells of rain at times. Some sunny spells between showers, which may be heavy and thundery. Feeling cooler than of late.
